

# Join the Winners' Circle... Now!

Do individuals making \$100,000+ a year write resumes differently from those who make under \$100,000 a year? They certainly do. Facing a highly competitive employment arena of well-qualified professionals, their resumes must stand out amidst a very talented crowd of competitors. They must clearly communicate to prospective employers that they are the #1 candidate deserving serious consideration and an invitation to a job interview.

Above all, successful \$100,000+ resume writers master the art of writing right. Possessing the right combination of writing and presentation skills, they know what's most important to include as well as exclude on their resume. They know how to best:

- **formulate an objective**
- **summarize their career**
- **present professional experience**
- **describe core competencies**
- **market achievements**
- **highlight education and affiliations**
- **promote honors and awards**
- **produce a perfect visual presentation**
