

R. Devin Beverly, Ph.D. is a Licensed Professional Counselor who is founder, President & CEO of Legal, Forensic & Training Consultants of Virginia, PC (LFTC of VA). LFTC has a primary counseling component called Therapeutic Options. Dr. Beverly earned a Ph.D. from Walden University in Minneapolis, Minnesota and a Masters of Education in Community & Addictions Counseling from the College of William & Mary in Williamsburg, Virginia.

"How To Start A Sex Offender Group: The Fundamentals" is a DVD training system designed to help the savvy mental health clinician initiate group treatment for convicted sex offenders. This training addresses ethics, quality versus group size, constructs such as positive anxiety, the implementation of the meaningful use of group rituals, the limitations of confidentiality, how to establish group rules, and much more. This training DVD is a "must have" for practitioners that work with this forensic population. Look for more training opportunities from LFTC of VA, PC.
