

# Addiction, Rehab, & Recovery

# Solutions

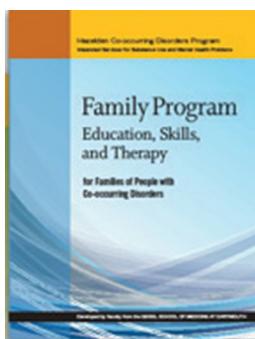

If you work with recovering populations, you know the challenges of making permanent behavioral changes. **Impact** is pleased to offer some of the best **evidence-based resources** for assisting such populations. Bestsellers include:

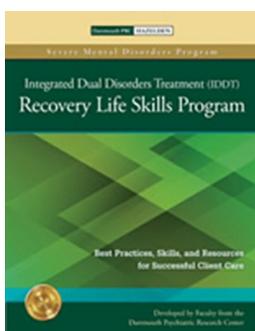

## [Living in Balance](#) (#4358)

This evidence-based, flexible, and user-friendly substance abuse treatment curriculum helps clients from all walks of life address key lifestyle, relationship, and emotional issues.

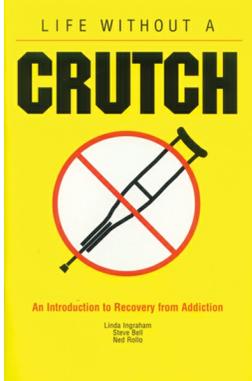

## [Co-occurring Disorders Program](#) (#9173)

This updated evidence-based program addresses issues that directly impact clients living with a substance use disorder and non-severe mental illness.

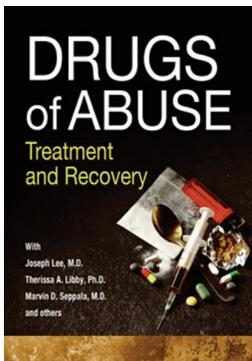

## [Recovery Life Skills Program](#) (#8131)

With the Recovery Life Skills Program, professionals have access to a unique, in-depth group curriculum for working with mentally ill clients ready to move on from substance use and improve their quality of life.

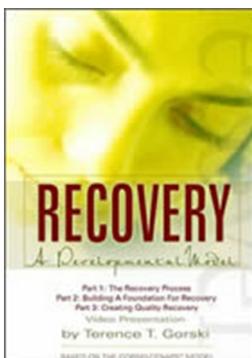

## [Life Without a Crutch](#) (#514)

This popular recovery guide is designed specifically for addicts in the criminal justice system and their loved ones.

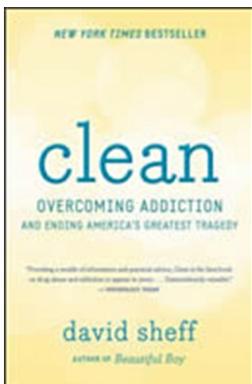

## [Drugs of Abuse](#) (#862)

In this program, doctors and clinicians join individuals in recovery to discuss the symptoms and consequences of drug abuse, the neurobiology of addiction, substance abuse treatment, and life in recovery.

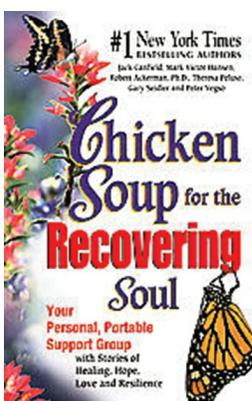

## [Addiction, Recovery, and Relapse DVD Series](#) (#8137)

Three powerful DVDs developed by a leading addiction and recovery specialist present the most recent research on addiction, recovery, and relapse.

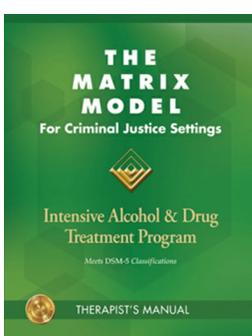

## [Clean: Overcoming Addiction and Ending America's Greatest Tragedy](#) (#8865)

This book, a myth-shattering look at drug abuse, goes beyond the traditional approaches to prevention and treatment of addiction and the mental illnesses that usually accompany it.

## [Chicken Soup for the Recovering Soul](#) (#5921)

Includes a wonderful collection of stories about healing, hope, love, and resilience for those facing recovery from various problems.

## [The Matrix Model for Criminal Justice Settings](#) (#9160)

This treatment program provides adults in a variety of correctional settings (jails, community corrections, probation programs, drug courts, and prisons) with the structure of an evidence-based treatment experience.
