

# Is Your RESUME Designed for 2017?

## Writing Tips for Today's Tough Job Market

Two of America's leading professional resume and letter writing experts have crafted three books for updating or "modernizing" resumes and letters to be most responsive to today's job market.

If you've not done so, make sure your library includes these **"must have"** resources:

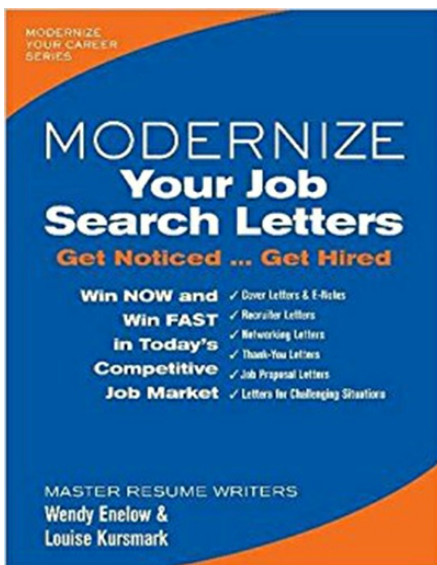

## [The Best Keywords for Resumes, Letters, and Interviews](#) [\(#2706\)](#)

Reveals how candidates can best speak the language of employers for getting hired. Organized by major industries and professions, this easy-to-use book provides quick access to the powerful impact of keywords in your job search communication, both written and spoken.

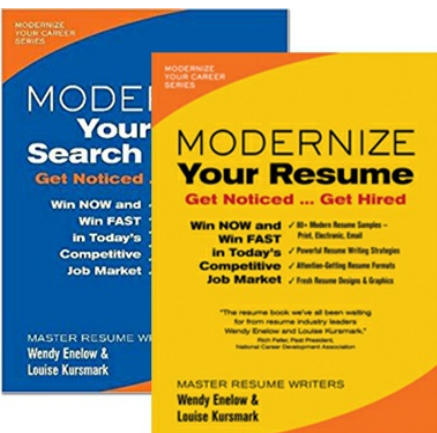

## [Modernize Your Resume](#) [\(#7508\)](#)

Based on today's real-world job search trends, this book shows how to craft a winning resume to meet the complexities of today's highly competitive and technologically-driven employment market.

## [Modernize Your Job Search Letters](#) [\(#5242\)](#)

Be sure to explore this new book by two well-known career writers showing how to write powerful job search letters that are both human- and electronic-friendly.

## **SPECIAL:** **Save by purchasing both books** [\(#4838\)](#)

With these books on your shelf, you'll be well equipped to skillfully compose your resume and job search letters.
