From Parole to Payroll: A Process of Persistence

BESTSELLER!

Our most popular ex-offender series! The three DVDs, each running 25 minutes, contain solid, real-world content designed to help ex-offenders find satisfying work. Features informative interviews, helpful tips, and colorful graphics. English with English-language subtitles. 2008. **\$99.95 each. \$299.85 for the set and workbook.**

- *Finding a Job*
- *Resumes and Job Applications*
- *The Job Interview*

After Prison

Focuses on basic human needs for food, shelter, and employment. Where can ex-offenders find housing and jobs? Where can they find extra emotional strength during those first few months? Inmates answer questions such as: when to begin planning for release, what to tell potential employers, how to handle money and credit, how to overcome the stigma of incarceration, what to do about housing, and what support programs are available. 31 minutes. 1999. **\$129.00**

Living Free

Addresses the many challenges facing ex-offenders through the eyes of four ex-offenders who share stories about their first experiences after release. They explain how they overcame barriers, such as finding employment, and how they dealt with the pressures of society. They also stress the importance of developing positive relationships, the role family plays in their lives, and the many things they've done to turn their lives around. 31 minutes. 2006. **\$149.00**

BESTSELLER!

Putting the Bars Behind You (Revised Edition)

This bestselling program addresses the challenges facing ex-offenders in finding jobs. Outlines the two most effective job search strategies and explains how ex-offenders can discuss their incarceration with prospective employers. 24 minutes. 1999. **\$99.00**

Down But Not Out

Presents a wonderful story about self-transformation – how to turn failure into success through forgiveness and determination. Alphonso Bailey, an all-American guy who was dealt a cruel twist of fate, sends viewers an important message: their current difficulties are only temporary. Regardless of where your life is at present, you can turn things around with hope, perseverance, and the courage to go after your dreams. 39 minutes. 2003. **\$149.00**

BESTSELLER!

The Re-Entry Trap: Strategies for Successful Re-Entry

Addresses successful strategies for re-entry into the community by focusing on lifestyle changes, and emphasizing the importance of having a strong support system to help avoid the traps of falling back into one's old lifestyle of alcohol, drugs, and crime. Emphasizes the importance of setting goals and staying focused on such basic needs as food, shelter, clothing, and transportation. 55 minutes. 2004. **\$299.00**

Stop Recidivism, Now!

Three popular programs assist ex-offenders in finding jobs and staying out of prison for good. Jam-packed with practical information, true stories, and tips for success: *9 to 5 Beats Ten to Life*, *Out for Good*, and *Tough Questions, Straight Answers*. 28-40 minutes each. **\$95.00 each. SPECIAL: \$275.00 for all 3 DVDs.**

Starting Fresh With a Troubled Background

BESTSELLER!

This 3-part series is ideal for ex-offenders and others with troubled backgrounds. Each program shows how to overcome the many obstacles in finding a job, from organizing and implementing each step of the job search to writing honest resumes and letters and disclosing a criminal past during interviews. 18-20 minutes each. 2007. Can purchase separately. **\$108.00 each. \$299.95 for all three DVDs.**

- *Finding a Job With a Troubled Background*
- *Interviewing With a Troubled Background*
- *Resumes and Cover Letters With a Troubled Background*

Assignment: Re-Entry

Filmed in a correctional facility, popular motivational guru Michael Johnson explains the street-level realities of being released and ostensibly free. Stresses the importance of setting goals and developing a re-entry plan. Addresses false expectations, personal limitations, and other issues affecting successful re-entry. The program encourages taking notes and completing many weeks of intense writing and self-discovery – key actions for developing an effective re-entry plan. A powerful therapeutic tool for success! 2008. **\$299.00**

Expert Job Search Strategies for the Ex-Offender

Three DVDs assist ex-offenders in preparing for the most critical steps in the job search and career planning processes. They cover everything from putting together a powerful resume and preparing for the job interview to dressing properly and deciding what you want to do with the rest of your life. 48 minutes. 2007. **\$149.00 each. SPECIAL: \$399.00 for all three programs.**

- *Career Plans and Goals*
- *Resume Realities*
- *Interview Techniques*

How You Got Here: Reflections on a Lost Childhood

Michael Johnson exposes the missing piece in recovery – our lost childhood. Explains how ex-offenders became addicted to drugs and have problems with personal relationships and criminal behavior. Tackles issues that must be addressed in order to begin and succeed in any re-entry or 12-Step program. Reveals the secrets of healing, forgiveness, and love. Viewers learn the importance of family and forgiveness. 50 minutes. 2008. **\$299.00**

From Prison to Paycheck

Make sure your resource center includes these eight outstanding DVD programs. Ideal for communicating job search and job keeping basics, from finding employers and completing applications to preparing for interviews, answering questions properly, and handling the first few weeks on the job. 20 to 30 minutes per DVD. Can be purchased separately. **SPECIAL: \$999.00 for all 8 DVDs.**

- *Barriers to Employment Success* (\$149.00)
- *The Complete Job Application* (\$99.00)

From Prison to Home

This bestselling documentary traces the experiences of four black ex-inmates over the course of a year, focusing on their challenges with employment, housing, addiction, and reconnecting with family – as well as their participation in the nontraditional African American Program for parolees. Richard, a 36-year-old crack addict, has spent 12 years in and out of the system. Arthur, 45, has been arrested 13 times. Calvin, 49, has served 18 months for drug possession and burglary. And 37-year-old Randy, emerging for the first time after a 16-year murder sentence, is intent on going to college. Includes interviews with their parole officers. 47 minutes. 2007. **\$169.95**

Post-Prison Blues: Adjusting Your Relationship With Family, Friends, and Yourself

Deals with the emotional challenges of prison release. Inmates and experts relate their experiences and valuable insights on how to make the emotional transition. They talk about dealing with the label "ex-convict," surviving without support from family or friends, helping children understand why they were in prison, and much more. 28 minutes. **\$129.00**

9 to 5 Beats Ten to Life

Shows what ex-offenders need to do to find a job. Addresses important pre-release planning issues: where to write for required documents, how to develop an employment portfolio, where and how to access useful community resources, and how to deal with difficult questions about one's background. 40 minutes. **\$95.00**

BESTSELLER!

Tough Questions, Straight Answers

What should you say when an employer asks "Have you been convicted of a felony? If yes, explain." This DVD shows how to explain one's record honestly. Includes ex-offenders, employers, and others who discuss their views, and reveal what does and doesn't work. 28 minutes. **\$95.00**

Ex-Offender's Guide to Job Fair Success

A job fair is one of the most effective methods ex-offenders can use for developing face-to-face contacts and finding employment. This program helps ex-offenders make the most of a job fair. Topics include: preparing for the job fair, how to present yourself, questions to answer, networking tips, and advice from employers. Includes online instructor's guide. 23 minutes. 2007. **\$129.00**

Back in the World DVD Series

This 3-part series examines prison-based work and learning programs (*Inside Opportunities*); explores housing, food, and employment needs after release (*After Prison*); and emotional challenges of family and friends (*Post-Prison Blues*). 25 to 31 minutes each. **\$129.00 each. SPECIAL: \$330.00 for complete 3-DVD series.**

Power Source DVD Series

This popular 4-DVD series shows at-risk youth how to better understand their lives and deal with issues leading to high-risk behavior:

- Risk-Taking: Life on the Edge
- Meditation: It's Not What You Think
- Families: Where We Come From
- Lost Childhoods and Entitlement: Dealing With Unfairness in Life

Designed for both groups and individuals. 15-33 minutes each. **\$75.00 each. SPECIAL: \$289.00 for the set of four programs.**

Out for Good

One of our bestselling DVDs! Contains compelling stories told by ex-offenders who made it on the outside, and some who didn't. Viewers learn from others about successes and mistakes – and what it really takes to make it on the outside and stay out for good! 28 minutes. **\$95.00**

BESTSELLER!

Goin' Home: The Series

Delbert Boone takes a group of offenders through the process of being honest about their life and future. They talk about where their choices have taken them and how to empower themselves to understand what they must do to avoid returning to a life of addiction, crime, and incarceration. Includes engaging visuals and music. 33 minutes each. 2007. Can purchase each program (DVD) separately for **\$200.00 each: Taking a Look at You, Empowering Yourself, The Deception of Addiction, The Rules of the Game, Giving Up the Game, The Art of Mainstreaming. SPECIAL: \$995.00 for series.**

Finding a Job When Your Past Is Not So Hot

Here are possible scenarios: you were fired from your last job; you're a high school drop-out; you didn't get along with your previous boss; you don't have references; you've been incarcerated. The good news is that these bad-news scenarios are possible to overcome. Reveals ways to talk positively about past challenges in the process of shaping a new and bright future. Includes worksheets. 25 minutes. **\$125.00**

Making the Right Choices: Successful Re-Entry Strategies

Filmed inside of a correctional facility, Michael Johnson addresses the importance of accepting responsibility, developing humility, and being personally accountable for one's actions and behaviors. Includes successful strategies for transitioning back into the community. 51 minutes. **\$299.00**

Ex-Offenders CAN Ace the Interview

Two young ex-offenders with red flags in their backgrounds illustrate the "do's" and "don'ts" of interviewing for a job. Shows how ex-offenders can successfully provide evidence of their rehabilitation. Includes difficult but frequently asked questions. 20 minutes. 2004. **\$169.95. SPECIAL: 5 copies for \$769.00.**
